

Club Sports – COVID-19 Response Plan – University of Arkansas

Water Ski

Practices

- No pods will be required for club practices since only 3 people are required (Boat driver/rope maintainer/skier)
- For any indoor activities we will limit attendance to 10 people
- Water ski is considered low risk for COVID-19 transmission
- All sanctioned activity for practices and tournaments resumed on May 18, 2020
 - They require that a form be signed by each participant which we will provide at each practice
- Each practice will be documented including the number of attendees and forms from USA Water Ski regarding COVID will be signed and filed at each practice by each participant
- Transportation to practice will be the responsibility of each individual and they must assume responsibility in adhering to public safety protocols

Competition

- UARK Water Ski is associated with USA Water Ski and are required to take responsibility to abide by all public health authorities when determining events.
- All tournaments have been postponed until further notice
-

Recruiting/Retention

- When necessary, perspective members will be allowed to attend practice on a one practice basis before joining
- Our organizations main focus for Fall 2020 is to be more diligent on practice and training, as well as the recruitment of new members while adhering to public safety protocols
- Recruitment will be shortened due to safety, each perspective member will be allowed to attend one practice prior to joining
- Not many new risks will be associated with our operations since we are an outdoor sport that only requires three people while executing practice
- We are attempting this semester to enhance our teammate relations, however due to COVID-19 we will adjust to smaller group activities and fewer face-to-face activities
- Ideas for team building include team dinners held outdoors and continued team connection through group me
- New members will be included in all non-practice events which will be held outdoors and according to safety protocols
- Our organization communicates through a club group me that will continue as our platform for communicating all information
- If a member is not adhering to COVID guidelines, they will get one warning before being asked to leave practice for the day

Club Sports – COVID-19 Response Plan – University of Arkansas

Water Ski

- Our bylaws will remain the same, but we will adjust where needed to ensure we follow COVID guidelines and maintain social distancing
