## THE GAME

1. A regulation game consists of seven (7) innings or 55 minutes, whichever comes first. If an inning has started before the time limit has expired, then the inning will be completed. Teams need not play seven full innings if:

  - b. The home team scores more runs before the third out in the last half of the seventh inning; or
  - c. The mercy rule can be applied:
    - i. If a team is up 20 or more runs at the conclusion of the 4<sup>th</sup> inning; or
    - ii. If a team is up 12 or more runs at the conclusion of the 5<sup>th</sup> inning or later.

    - v. If NO participants appear from either team, the game will be a double forfeit
    - vi. If both teams have below the minimum number of players at game time, the 5-Minute Rule will go into effect for both teams.
    - vii. Example: Team A is on time and checked in prior to game time and Team B gains the minimum number of required players, 3 minutes late. The game will still be played but the starting score will be 3-0 and the game will begin with 52 minutes remaining.

**Note:** If the visiting team reaches the run-ahead limit in the top half of the inning, the home team still has the opportunity to reduce the deficit below the limit in the bottom half of the inning. If the home team reaches the run-ahead limit while at bat, the game ends and the home team is declared the winner.

If the game is tied at the end of seven (7) innings or after time expires, the teams continue to play until one team has scored more runs than the other team at the end of a complete inning or until the home team has scored more runs.

## PITCHING

**Preliminaries:** The pitcher must begin with both feet firmly on the ground, and with one foot or both feet touching the pitcher's rubber. The pitcher's pivot foot must stay in contact with the pitcher's rubber throughout the delivery. The pitcher must not perform any motion to pitch while not touching the pitcher's rubber.

**Start of Pitch:** Before the delivery, the pitcher may hold or grip the softball in any manner. The pitcher must use a definite underhand motion in delivering the pitch. The pitcher may release the softball in any type of manner using any type of motion.

If the ball does not reach the height range, an illegal pitch will be called. For illegal pitches, a ball will be awarded if the batter does not swing at the pitch. If the batter swings at the pitch, the batter will take the result of the play.

- c. The first player who bats in each inning shall be the player whose name follows the last player who has completed a turn at bat in the previous inning. When the 3<sup>rd</sup> out of an inning occurs before a batter has completed his or her turn at bat, that player will be the 1<sup>st</sup> batter in the next inning and will start with a count of one ball and one strike.
- d. The batting order for co-rec games must alternate from male to female.

### 2. Ball and Strike Count

- a. The batter starts with a one (1) ball and one (1) strike count.

*Example:* The count is one and one. The batter hits a foul ball on the first pitch. The umpire calls "foul ball, strike two!" The batter then hits a foul ball on the second pitch. The batter has two strikes, the extra foul ball rule applies, the umpire should verbalize "first foul ball!" On the third pitch, the batter hits a foul ball; the result is strike three, and the batter is out.

#### 4. Strike

- a. The umpire calls a strike:
  - i. For a legally pitched ball between six (6) and 12 feet from the ground that strikes any part of the plate or the strike zone and is not swung at by the batter.
  - ii. For a legally pitched ball that the batter swings at and misses.
  - iii. For a foul ball not caught by a fielder when the batter has one strike.
  - iv. For a pitched ball that the batter swings at and misses and that touches any part of the batter.
  - v. For a pitched ball that hits the batter when the ball is in the strike zone.
  - vi. When a batted ball hits any part of the batter when he/she is still in the batter's box and has one strike.

#### 5. Ball

- a. The umpire calls a ball:
  - i. For a pitched ball that does not hit any part of the plate or the strike zone.
  - ii. For an illegally pitched ball (not between 6 and 12 feet from the ground) not swung at by the batter.
  - iii. For a pitched ball that hits the batter when he/she is outside of the strike zone.

### OUTS

1. The batter is out in the following circumstances:
  - a. When the batter enters the batter's box with an altered or illegal bat or is found using an altered or illegal bat. If the batter hits the ball with an altered or illegal bat, the batter is out and base runners return to the bases that they occupied before the batter hit the ball. Alternatively, the defense may accept the results of the play. (Note: once the next pitch legal pitch has occurred, all plays before are legal and cannot be appealed)
  - b. When the batter bunts or chops at the ball.
  - c. When the batter's entire foot touches the ground completely outside the batter's box when the batter hits the ball.
  - d. When the batter hits the ball and any part of his or her foot is touching home plate.

  - f. When the batter hits a fair ball with the bat a second time in fair territory no matter if it is on accident.
  - g. When the batter's own batted ball hits him or her outside the batter's box in fair territory.
  - h. When a batter hits a fly ball in the infield that can be caught with ordinary effort with less than 2 outs and runners on first and second or bases loaded.
  - i. When the batter inadvertently or intentionally throws a bat.

*Procedure:* The umpire should give the delayed dead ball signal and allows the play to continue. At the conclusion of the play, announce the batter is being called out.

- i. *Intentional/inadvertent*: If the player intentionally throws a bat in anger, that player is ejected. If it is an inadvertent act, the player should receive a warning. If the warned player throws his bat after being warned, that player is ejected.

## **BASERUNNING**

1. **Advancement**: A base runner can advance or return only by touching the bases in legal order, from first base, to second base, to third base, to home plate. A base runner advances to the next base by touching it before being put out. The player may hold a base until he/she legally touches the next base or until the batter becomes a base runner and forces the player to leave the base.
2. **Batter Awarded First Base**: The batter-runner is awarded first base in the following circumstances:
  - a. When the umpire calls four (4) balls
  - b. When the catcher or other defensive players interferes with the batter's attempt to hit a legal or illegal pitched ball

  - f. When the batter-runner runs out of the three (3) foot running lane and interferes with a fielder taking a throw or attempting to make a play
4. **Base Runner Called Out**: A base runner is called out in the following circumstances:
  - a. When a base runner leaves the base before a pitched ball contacts the bat
  - b. When the base runner interferes with a thrown ball or interferes with a fielder who is attempting to field a batter ball, catch a ball, or throw a ball
  - c. When a fair batted ball hits a base runner or a base runner intentionally interferes with a ball
  - d. When a base runner intentionally kicks a ball that is in play
  - e. When a coach intentionally interferes with a live ball
  - f. When a base runner is attempting to score and the next batter or another teammate interferes with the play
  - g. When a fielder touches a base runner with the ball when the base runner is not on a base and the ball is in play

- h. When a fielder tags or holds a ball on a base to which the base runner is forced to advance before the base runner reaches that base (force play)
  - i. When the base runner runs more than 3 feet outside the path between the bases to avoid being tagged
  - j. When a base runner passes the base runner ahead of him or her before that runner is put out

  - m. If a base runner fails to touch a base and a fielder tags or holds the ball on the base before the base runner returns to the base
  - n. If a base runner intentionally and forcefully makes contact with a defensive player who is clearly holding the ball. The base runner is called out. The ball becomes dead, the base runner is ejected, and other base runners return to the last bases that they occupied at the time of the collision.
5. Base stealing is NOT permitted in Intramural Sports Softball.
6. A base runner must stay in contact with a base until the ball crosses the plate or the batter hits the ball.
7. A pitch that the batter does not hit is dead. Base runners must return to their bases. They cannot leave again until the ball crosses the plate or the batter hits the ball.
8. Courtesy Runner
- a. A courtesy runner may run for any batter who is injured and is unable to run the bases safely. The injury may be an existing injury or occur during the game or play.
  - b. The batter must reach the base legally and be ruled safe before the courtesy runner can take the batter's place.
  - c. When no eligible substitutes are available, the courtesy runner must be the player who made the last out of the previous inning.
  - d. The umpire must be notified before a courtesy runner replaces a teammate. This replacement can occur only during a dead ball and before the first pitch to the next batter.
1. Over Throw Rule
- a. If a fielder throws the ball past the "out of play" line each base runner will be awarded 2 bases from the last legally touched base when the throw was made.
    - i. Ex: Base runner is running from first base to second base when the over throw occurs, the base runner would be awarded third base.
