Summer Student Membership Eligibility Guidelines

Membership Eligibility

All students of the University of Arkansas are to be awarded a UREC Membership when enrolled. UREC is given a list of all students enrolled in the summer semester from UA Connect, and will award all students of their complimentary membership. UA Connect will provide an updated list of all Summer Students, and at that point any and all changes or adjustments in memberships will be made. If a student is enrolled in the fall semester and is staying in town for the summer, but is not enrolled in summer courses, that student can purchase a summer membership if they were also enrolled in the spring semester. If a student withdraws, even if all fees and tuition have been paid, the membership is terminated.

- Summer Semester Rate: \$45.00

Family Member Eligibility

Family memberships are available for spouse/partner and dependents, under the age of 26 and residing within the household. Spouse/Partner and dependents, age 18 and older can then access the building alone. In order to obtain a family membership, the pair must show documentation as detailed on the back of this sheet. A family membership may not be purchased without the presence of the initial membership, and thus can only be purchased on a semester by semester basis. A family membership can be purchased during Membership Office hours of operation.

- Semester Rate: \$29.00

Mid-Semester Memberships

Upon the halfway point of each semester, potential members are eligible to purchase a mid-semester membership for the remainder of the semester. Purchase price is 50% of the full membership cost.
