Name:_

Days/Time:____

Small Group Training Information Packet

General Information

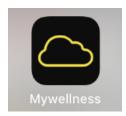

Session Dates: Monday, September 14th – Thursday, October 29th (6 weeks)

Note: Classes will not run during University holidays.

Small Group Training classes utilizes a variety of functional fitness equipment in a challenging and fun environment. The UREC certified personal training staff will take you on the ultimate fitness experience while providing you with motivation, tips and progression toward your goals

Additionally, UREC is partnering with Technogym to allow for an interactive fitness experience.

Please download the mywellness app in order to have the most seamless use of this service:

Once your registration packet has been received and processed you will receive an invite to create an account with Technogym and be a part of the University of Arkansas page.

UREC RazorFitness is a six-week small group training program. Each week builds on the progress made in earlier sessions with exercises designed to improve agility, functional strength, power, and muscular strength. Throughout the program, workouts will deliver varying degrees of intensity, starting with a dynamic warmup and peaking with high-intensity agility and strength exercises utilizing a variety of equipment including TRX Suspension system, ViPR's and TRX Rip trainers. Each UREC RazorFitness team is made up of eight participants, creating a friendly and motivational workout environment.

Price: Student members (\$43), UREC members (\$57)

Registration Form

Payment must be received at the time of registration. Participants must have all portions of packet completed. Physician clearance form may be required for participants who check "yes" for any listed conditions.

	Low back pain		High Cholesterol (total > 200)
	Nutrition related disorder		

If you have checked any above, please explain below:

List all medications you are currently taking:

When exercising, do you feel any of the following?

Chest pain			
Leg aches			
Shortness of breath			
Dizziness			
General fatigue			
Pressure over the heart			
In case of emergency, please contac	ct:		
Name		Relationship	
Phone (Home)	(Work)		_ (Cell)

Part IV: Release of Liability

In consideration of being permitted to participate in fitness programs and personal training sessions, which may consist of warm-up, flexibility activities, cardio respiratory activities, muscular strength and endurance activities, and fitness assessments: I have volunteered to participate in a program of progressive physical exercise. I waive any possibility of personal damage which may be blamed upon such a program in the future and accept the responsibility for accepting such exercise and assistance.

___ (Initials)

There exists the possibility of certain physiological changes during the program. These include elevated heart rate, muscle or joint pain, abnormal blood pressure, fainting, irregular, fast, or slow heart rhythm, and in rare instances, heart attack, stroke, or death. I hereby acknowledge and accept these risks. Information that I provide about my health status or previous experiences of heart-related symptoms with physical effort may affect the safety of this program. I accept responsibility for fully disclosing my medical history, as well as symptoms that may occur during the program. To my knowledge, I do not have any limiting physical condition or disability, which would preclude an exercise program. I understand that I am responsible for monitoring my own condition throughout exercising, and should any unusual symptoms occur, I will cease my participation and inform the trainer of the symptoms. Unusual symptoms include, but are not limited to the following: chest discomfort, nausea, difficulty in breathing, and joint or muscle pain or strains.

____(Initials)

An examination by a physician should be obtained by all participants prior to involvement in an exercise program. If a participant refuses to obtain a physician's consent, he/she must sign the following statement:

I, ______, have been informed of the need for a physician's approval for participation in a progressive exercise and fitness program. I fully understand the strenuous nature of the program and accept complete responsibility for my health and well-being in the voluntary exercise and fitness program and related testing.

(Initials)

Other risks of participation in Fitness/Wellness classes and programs include, but are not limited to: trips, falls, collisions, sprains, strains, cuts, bruises, lacerations, broken bones. I understand that the risks and dangers of participation are real. I am still interested in participating and will hold harmless for ordinary negligence the University, its instructors, all employees, the University Recreation Department, and any volunteers involved in this program. I agree that I, my heirs, or any family member will not hold the University negligent for any injuries that may occur during any part of the program. For the right to participate in this program, I freely sign away my rights to sue for negligence.
