INTRAMURAL SPORTS MISSION

The University of Arkansas Intramural Sports Program offers programming and opportunities for everyone on the University of Arkansas campus. Intramural Sports is designed to provide opportunities for students, faculty, and staff to participate in recreational activities in a fun, competitive and safe environment. Participation in Intramural Sports will afford the following opportunities:

- Provides enjoyable recreational experiences for the University community.
- Develops habits of participation that will carry over into everyday life.
- Promotes wholesome social relationships and sportsmanship through group and individual activities.
- Supports an opportunity for the development of a healthy body and mind.

PURPOSE OF THE HANDBOOK

The purpose of this handbook is to establish policies and procedures that govern participation in Intramural Sports. Please note that it is the responsibility of each team/participant to know and understand these policies and procedures. The Intramural Sports Staff reserves the right to modify these rules at any time as necessary. If you have any questions, comments or suggestions concerning rules or the program itself please contact our staff.

Participation in all activities in the HPER Building, at the UREC Sports Complex or any program sponsored by the College of Education and Health Professions or the department of University Recreation, regardless of location, is voluntary on behalf of all participants. All participants acknowledge and agree that the University of Arkansas does not provide insurance for any of its activities and shall not be liable for any injuries that occur at any of these locations or any of its programs.

CAPTAIN’S RESPONSIBILITIES

Captains will serve as the liaison between Intramural Sports and their team.

“Team representatives” are defined as the following but are not limited to: a player, non-player, captain, coach, manager, spectator or anyone representing a team. The captain of each team is responsible for these representatives at all times. Team Representatives can affect the team’s sportsmanship rating, playoff eligibility and can also be ejected or asked to leave the premises and any other acts the Intramural Sports staff deems eligible. These actions and disciplinary steps can happen at any time, before, during or after any intramural sports event.
Captain’s duties include but are not limited to:

- Create the team online
  - Select a proper and appropriate team name. Any team names deemed inappropriate must be changed immediately. Examples of inappropriate team names include, but are not limited to: names including foul language or a play on curse words, sexual innuendos, political statements, or discrimination of any kind.

- Ensure your team has the minimum number of players on the roster in order for the team to be eligible to hold a spot in a division/league before the close of registration.
- Check eligibility of each player before and during the regular season as well as prior to the playoffs (See Eligibility)
- Educate team members about sport specific rules and regulations set forth in this handbook
- Inform team members of game times and dates to avoid forfeits, the forfeit fine and potential removal from the league
- Pay Forfeit Fine(s), if applicable, following the specific deadlines for payment set forth by UREC Intramural Sports
- Check the UREC website for inclement weather updates, postponements and rescheduled activities
  - Also refer to the Intramural Sports Facebook and Twitter pages for game updates
- Confirm that team representatives comply with all rules, policies and procedures
- Take quizzes on fusion, which are required to create a team.

**Captain’s will no longer have to attend a preseason captains meeting. All information will be sent out in an email.**

---

**PARTICIPANT ELIGIBILITY**

All participants must provide a valid University of Arkansas student ID, UREC membership card or valid form of government issued photo ID to participate in intramural sports.

Every individual is responsible for verifying their own eligibility of each sport they choose to participate in. Team captains are also responsible for verifying team members’ eligibility. The Intramural Sports Staff is not responsible for checking the eligibility of all participants. Any concerns that arise regarding opposing teams’ eligibility should be reported to the Intramural Sports Supervisor by the captain prior to the start of the game. The Intramural Sports Staff may suspended and/or forfeit any team, organization and/or individual that willfully uses or attempts to use ineligible player(s) or forfeit any games in which the individual(s) played.

**Who can participate in Intramural Sports?**

**Students** - All undergraduate and graduate students who are enrolled in at least one (1) credit hour at the University of Arkansas (Fayetteville campus) are eligible to participate in intramural sports.

**Full-Time Faculty/Staff** - All currently employed faculty and staff members **with a UREC membership** are eligible to participate in intramural sports.
Part-Time Faculty/Staff- Part-Time faculty and staff must provide written documentation from his/her department stating that he/she is currently employed by the University of Arkansas Fayetteville with a minimum of 20 hours per week.

- Affiliate or Hourly paid staff are not allowed to participate in Intramural Sports.
- Community and Alumni memberships are also not eligible to participate in Intramural Sports.

Spouses- Spouses/partners of any eligible participants are eligible to participate in intramural sports provided that they have a current UREC membership and must be on the same team as their spouse/partner.

Olympic and Professional Athletes- Olympic athletes are considered individuals who competed for their country in the Olympics or World Championships. An athlete will be deemed “professional” if at any point they received financial compensation for participating on a team in a professional or semi-professional league. Olympic and professional athletes are not eligible to participate in their related sports.

Club Sports Members- a UREC Club Sports member is defined as one who has:

- Practiced or played
- Paid membership dues
- Traveled on a club trip
- And/or appears on the club’s roster

**A person only needs to meet one of these qualifications to be considered a club sport member.** Any player who starts their respective season as a club member and quits, or is removed from the team, for any reason will still be considered a club member for the remainder of the academic year.

Each intramural sport has a club sport member restriction. The numbers are as follows:

<table>
<thead>
<tr>
<th>Intramural Sport</th>
<th># of Club Members allowed per roster</th>
</tr>

<tr>
<td>Volleyball (6v6)</td>

</tr>
<tr>
<td>Soccer (indoor, outdoor and Futsal)</td>

<tr>

</tr>
</tbody>
</table>

Varsity Team Managers or Practice Team Players- Any student who assists the varsity team as a practice team member or a manager will have to follow the same restrictions as a club sport member. Since these participants are classed similar to club sport members, they will be considered part of the club sport count (i.e. a team has 1 Club Volleyball member and 1 Varsity Volleyball member, they have met their max).

Varsity Athletes- Any student practicing with (officially or unofficially), playing for or listed on the team roster after the first competition at any four-year or junior college institution will be considered a varsity athlete. This includes red shirts and walk-ons who are admitted to the University of Arkansas under special NCAA guidelines. Any student who tried out for a varsity sport and was cut or dropped from the team before the
first regular season varsity game will be eligible to participate in the related intramural sport. Varsity athletes are ineligible to participate in the related intramural sport as which they received varsity status. Varsity athletes are eligible to participate in un-related intramural sports. Varsity athletes are ineligible to participate in the related intramural sport for 365 days from his/her removal from the official University roster.

If you have questions about eligibility, please email imsports@uark.edu.

**Greek Organization Athletes**- Students representing Greek organizations in intramural competition must be current members of the organization. Potential new members are not considered current members of those organizations until the conclusion of the official recruitment period for each semester.

**Participants under 18 years of age**- Students under 18 years of age wishing to participate in intramural sports must visit the main UREC office, located in HPER 225 and obtain a participation waiver. The participant and their parent/legal guardian must sign the waiver before the student is eligible to participate in any intramural sports. These forms need to be filled out for each intramural sport the participant would like to play.

**UREC Intramural Sports Inclusion Policy**: In concurrence with NIRSA rules to promote inclusivity, UREC Intramural Sports recognizes and encourages individuals, who identify as transgendered, to participate. Our eligibility requirements are gender specific, so please email imsports@uark.edu to make arrangements to meet with the Intramural Sports administration to review and select the available leagues you’re most comfortable identifying as a participant.

**Eligibility Protests will happen in the following order:**

1. Before the start of the game, the team captain will notify the officials and/or supervisors to state they have reason to believe a participant is playing illegally.
2. If the eligibility issue can be corrected immediately, the supervisor will make the correction.
3. If the eligibility issue cannot be corrected immediately, the supervisor on duty will inform both team captains that the game will be “played under protest” until the participant’s eligibility can be confirmed.
   a. The participant in question may continue to play at their own risk.
   b. If the participant is found ineligible and participated in the game, the game will be forfeited to the opposing team no matter the outcome of the game.
   c. If the participant is found eligible, the game results will stand.

This protest must be written and submitted to the Coordinator of Intramural & Club Sports by 12:00pm noon the following business day.
ID POLICY

The Intramural Sports Program at the University of Arkansas is partially funded through tuition and is open only to members of the university community (i.e. students, faculty, staff and eligible spouses). In order to ensure that only eligible members participate in intramural activities, all participants must bring their University of Arkansas ID, UREC membership or valid government issued photo ID to all activities. There are NO exceptions.

Any person who alters or intentionally mutilates a University ID card, or who allows another to use his/her ID card will be subject to disciplinary action.

An ID card is subject to confiscation by an agent of the university when acting in the performance of his or her duty if:

1. The ID card is in the possession of an individual other than the person to whom the ID was issued,
2. The ID card is presented by the person to who it was issued but it is not valid for the current term of registration, and the individual uses the ID in an attempt to access university services for duly registered students.

**Fraudulent Acts**- Any individual or team who uses an illegal player during any time will forfeit- all contests in which the ineligible individual participated, regardless of the outcome. Some examples of fraudulent acts include but are not limited to: misrepresentation of a score, playing while ineligible or suspended, participation under an assumed name, playing on more than one team, violating any eligibility rules. The offending individual, team captain and/or representative must meet with the Assistant Director and Coordinator of Club and Intramural Sports for disciplinary actions and reinstatement.
LEAGUE PARTICIPATION

The “Big Five” intramural sports: Flag Football, Soccer/Futsal, Indoor Volleyball, Basketball and Softball will be organized into three (3) major leagues: Co-Rec, Women’s and Men’s.

A player may play on only one (1) men’s/women’s team and one (1) co-rec team in the same sport.

Each of these larger leagues will then be divided into smaller divisions of play. These divisions are structured to better accommodate levels of play and competition. The divisions for each league are as follows:

<table>
<thead>
<tr>
<th>Men’s</th>
<th>Women’s</th>
<th>Co-Rec</th>
</tr>
</thead>
<tbody>
<tr>
<td>D1 Open</td>
<td>Open</td>
<td>Open</td>
</tr>
<tr>
<td>D2 Open</td>
<td>Sorority</td>
<td></td>
</tr>
<tr>
<td>Fraternity</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

“Open” Leagues: These divisions are open to all participants. Participants are not required to be affiliated with any organization. Teams who enter this division and who have registered for the Dynasty Mode will accrue points here.

D1- “Division 1”, this is the most competitive level of competition for intramural sports. Teams in this division who meet the sportsmanship and winning percentage will advance to the playoff bracket.

D2- “Division 2”, this is the second most competitive level of competition for intramural sports. Teams in this division who meet the sportsmanship and winning percentage will advance to the playoff bracket.

“Greek” Leagues (Fraternity/Sorority): Greek organizations recognized by the Greek Life Office may participate in these leagues. Members of these teams must be active members of the organizations they are representing. Teams must have the name/letters of their organization in their intramural team name. Teams entered in this division will earn points toward the Dynasty Mode points.

EXAMPLE: If a participant already plays on a Men’s D1 team, they are NOT allowed to play on another D2 or Fraternity team.

If a participant plays on a Women’s team, they cannot play on another Sorority team.

ROSTER INFORMATION

Note- After playing/checking-in for one game with any team, a player may not transfer to another team in that sport.

Regular Season- Players may be added to the roster throughout the regular season for team sports. Individuals must be listed on a team’s roster in order for them to be eligible to participate. Players may be
added on-site at game times. These players must still have a government issued photo I.D. to be added to the roster and check-in. By checking-in on-site, the player is locking themselves onto the team’s roster and they may not transfer to another team.

**League Playoffs**- Players may be added up until 1pm on the team’s first regular playoff game (1pm on Fridays for Sunday games). After that point the roster will then be locked. Players must be added before that deadline in order to participate in a playoff game.

**Tournaments**- Player substitutions in individual, dual or team tournaments are not permitted after the first round of the tournament is played. Players may be added on-site at game times. These players must still have a government issued photo I.D. to be added to the roster and check-in. By checking-in on-site, the player is locking themselves onto the team’s roster and they may not transfer to another team.

**SPORTSMANSHIP POLICY**

Intramural Sports places an emphasis on developing positive sportsmanship to be displayed by all teams, spectators and staff. Teams are responsible for all representatives of their team and all actions that those representatives partake in and this responsibility exists before, during and after all intramural sports events.

Each captain is responsible for the behavior of all its team members and representatives. Each individual is expected to conduct him/herself in accordance with the student conduct regulation, university conduct regulations, Board of Trustees Policies and University Recreation Handbook. Actions by team members and representatives during intramural activities that extend beyond the realm of decency will not be tolerated. Violating individuals will be suspended until meeting with the Assistant Director and/or Coordinator of Club and Intramural Sports.

At the end of each game, teams will be given a sportsmanship rating by the officials and supervisors using the scale below. All teams begin the game with a 10.0 “Exceptional” rating. Teams must maintain a 7.0 average rating to continue throughout the regular season of play and to be eligible for playoffs.
<table>
<thead>
<tr>
<th>Exceptional (8-10)</th>
<th>Average (7)</th>
<th>Below Average (5-6)</th>
<th>Poor (3-4)</th>
<th>Unacceptable (0-2)</th>
</tr>
</thead>
<tbody>
<tr>
<td>All players cooperate fully. The players respectfully interact with one another and the staff. The captain has full control of his/her team.</td>
<td>The team did not cause any problems. Team does not show any aggressive decent toward opposing team or staff. No sportsmanship related discipline is taken against any player and/or team representative.</td>
<td>Minor dissent towards opposing team and/or staff. Unsportsmanlike disciplinary actions may be taken.</td>
<td>The team’s behavior was very inappropriate. They received unsportsing foul(s), used foul language and/or other derogatory actions etc. <strong>One (1) ejection occurred due to unsportsmanlike behavior.</strong></td>
<td>The team was completely out of control, uncooperative and disrespectful. Multiple unsporting like fouls/penalties were issued and ejections occurred or should have occurred. <strong>More than one (1) ejection occurred.</strong></td>
</tr>
</tbody>
</table>

***Sportsmanship ratings are applicable before, during and after all intramural sports activities.***

**Sportsmanship Facts**

- Any flagrant attempt to cause physical harm to another participant and/or staff member will result in immediate ejection and suspension from all UREC facilities and programming.
- Any unsportsmanlike conduct can be reviewed by the Intramural Sports professional staff at any time.
- An unsportsmanlike foul/penalty does not necessarily constitute an automatic Poor or Unacceptable sportsmanship rating. Other factors during the game will still be taken into account.
- An unsportsmanlike ejection will automatically result in a Poor or Unacceptable sportsmanship rating. The Poor or Unacceptable rating will be determined based on the number of ejections that take place.
- If a team forfeits a game, their team will receive a 0 sportsmanship rating. This will make them ineligible for playoffs.
- If a team defaults a game, their team will receive a 7 sportsmanship rating.
- During playoffs, if any team receives a rating of Poor or Unacceptable, the game is forfeited to the opposing team no matter the result of the game and they are automatically dropped from the playoff bracket.

**Ejected Players/Teams:** Intramural Sports officials and supervisors reserve the right to eject anyone, any team or team representative at any time. The Intramural Sports Staff’s decision is final. Any time an individual/team or team representative is removed from a contest or playing area and Ejection/Incident Report will be completed and placed on file in the University Recreation office. Participants, teams and/or team representatives who are removed from a contest as a result of unsportsmanlike conduct or disruptive behavior must leave the facility immediately. Failure to comply with this policy will result in the notification of UAPD.
The player(s)/team will additionally be suspended from intramural sports until they schedule a meeting with the Assistant Director and the Coordinator of Club and Intramural Sports. A meeting must be scheduled by the ejected player(s)/team by emailing imsports@uark.edu. After this meeting the Assistant Director and Coordinator of Intramural Sports will make the final determination of eligibility in Intramural Sports. Participants that are suspended from play in a sport may also lose their UREC membership privileges. Teams that use players who are suspended will forfeit all games in which they used suspended players and may be subject to further suspension. Cases that are deemed too serious may be referred to the Office of Student Standards and Conduct.

FORFEITS AND DEFAULTS

Default- Any team knowing in advance that they will be unable to attend a scheduled contest should “Default” their game via Fusion IM by 1:00pm the day of their scheduled game. For games happening on Sunday, teams must complete this process by 1:00pm the Friday before their scheduled game. If you cannot default your game via Fusion IM, you must notify imsports@uark.edu by 1:00pm the day of your game for your default to be valid and avoid the Forfeit Fine. Defaults will result in:
  • Waived forfeit fine
  • Opposing team will be notified
  • Opposing team awarded the win
  • Will receive a 7 sportsmanship rating.

**A second default will be considered a forfeit and will result in a Forfeit Fine being assessed.

Forfeit – Any team or individual not ready to play a contest at the scheduled location and time shall forfeit the contest. Forfeit losses and fines may be assessed for the following reasons, but are not limited to:
  • Use of "ineligible players"
  • Non-appearance or late appearance for event
  • Failure to have the minimum number of players in attendance at the scheduled game time
    o Minimum player numbers vary by sport. See table below.
  • Unsportsmanlike behavior
  • Apparent use of alcohol/drugs

**5-Minute Rule** - If one or both teams has fewer than the minimum number of players ready to participate at the scheduled game location and time, the 5-Minute Rule will come into effect:

*Note: At least one (1) person from a team must be checked-in for this rule to apply. If no one is checked-in for a team, the game will be an automatic forfeit.

1. The game clock will start.
2. The captain/team that is not prepared to play with the minimum number of players will have 5 minutes to become ready to play.
3. For each minute that passes the team with the minimum number of players will accrue points.
   a. The number of points accrued per minute is dependent upon each sport.
4. If the 5 minute time limit expires and the team still does not have the minimum number of players, the game will be forfeited to the team that has the minimum number of players present.
5. If at any time, during the 5-minute limit, the team acquires the minimum number of players, the game will begin. The game clock will remain at the time that has passed and will continue in accordance with sport rules.

If a team forfeits a game, they will receive a “loss by forfeit” on their record and a 0 sportsmanship rating. Forfeit fines are assessed for team ($50), dual ($10), and individual ($5) events. Forfeit fines will be assessed to the student account of the identified team captain, or participant, the proceeding day after their scheduled game. In the case that more than one captain is listed, then the creator of the team will be assessed the fine. Team captains will have the opportunity to first pay the fine in the UREC Main Office, HPER 225. Captains will have a two (2) week window to pay the fine in the UREC Main Office (HPER 225) and to dispute the Forfeit Fine if they feel it should not be assessed. Failure to dispute the charge within the two (2) week window will result in the Forfeit Fine being permanent. All fines may be paid at the Student Accounts Office, located on the second floor of the Arkansas Union. Failure to pay the fine may result in a team/individual(s) being dropped from competition, or suspension from further participation in Intramural events. Contests that are completed prior to a team being dropped from the league shall remain official. **Two forfeits will result in the team being dropped from the league.**
PLAYOFFS

League events will culminate into a single elimination playoff bracket. In order for a team to be eligible for the playoffs, they must meet all the following criteria:

- A sportsmanship rating of at least 7.0
- A winning percentage of .500 or above
- No forfeits during the season

All eligible teams from each division will advance to the playoff bracket provided they meet the criteria listed above. The teams from each division will be combined into one playoff bracket. The brackets will be available for teams to view at the first possible opportunity after all regular season games have concluded and been recorded. Teams that are tied in their division will be further ranked on the following criteria:

- If a two-way tie exists, the decision will be determined based upon who beat whom in head-to-head competition.
- If a three-way tie exists, the decision will be determined as follows:
  1. Head-to-Head
  2. Point Differential
  3. Total points scored vs. total points allowed
  4. Forfeit- the team that has forfeited a game will be dropped to the lower position among other teams that are tied

It is the team’s responsibility to check their eligibility for the playoffs. The Intramural Sports Staff will notify captains when the brackets have been created and posted. The same rules and code of conduct will remain throughout the playoffs as they did during the regular season. If a team identifies they were wrongfully left out of a bracket, they must contact imsports@uark.edu by 12:00 p.m. Noon the day of the Draft. Failure to alert UREC Intramural Sports will result in the team being left out of the draft and playoffs.
Teams must maintain at least a 7.0 sportsmanship rating during the playoffs. Any team that does not maintain this minimum will be removed from the bracket and the opposing team will advance no matter the outcome of the game.

Playoff Reschedules: It is the Captain’s responsibility to alert the UREC Intramural Sports Office by 12:00pm Noon the day of their scheduled game that they wish to reschedule a playoff game. As the Captain of your team, it will be your responsibility to arrange a reschedule with your opponent after contacting UREC Intramural Sports. Failure to alert UREC Intramural Sports by this time will result in the game not being rescheduled. As the opposing captain, you must make an attempt to find an alternative game time. Simply refusing to cooperate with the other team can result in your team forfeiting the game.

Playoff Draft: This feature allows teams to see the entire path their team could take through a bracket. It is the Captain’s responsibility to choose an initial spot that best accommodates their entire team. If the team captain fails to choose their team’s spot in the playoff draft by 11:59PM the day of the draft, their option to choose will be forfeited and their spot in the bracket will be chosen by the UREC Intramural Sports Administrative Staff so that the playoffs can begin.

For more details regarding the playoff draft, please visit: https://urec.uark.edu/intramural-sports/playoff-brackets/index.php

**PROTESTS**

Protests may be filed based on eligibility and rules interpretations. Official’s judgement, decisions or official’s accuracy will not be considered. To protest a participant’s eligibility or rules interpretation the team captain must immediately bring the issue to the attention of the official on their field/court. All protests must happen before the next live ball/play. Notifying the official or supervisor after one or more plays have passed does not constitute a valid protest.

Rule Interpretation Protests will happen in the following order.

1. The team captain will calmly and immediately call for a “time out” and inform the official that he/she wishes to have a ruling on the interpretation and then alert the supervisors on duty.
2. The supervisors on duty will reference sport rules, handbooks etc. to make the final decision on the rule interpretation.
3. If corrections are necessary, the supervisors on duty shall rule immediately and the team/participant will not be charged with a time out.
   a. If the interpretation is incorrect, the team/participant will be charged with a time out and play will resume.

*Example:* Rule- One foot in-bounds while in possession of the ball constitutes a legal catch in flag football.

Case 1: An official rules a pass incomplete because the “player did not have two feet in-bounds.” This is a rule misinterpretation, which is protestable.

Case 2: An official rules a pass incomplete because the “player’s first foot landed on the sideline.” This is a judgement call which is not protestable.
For Eligibility Protests, see *Eligibility* on page 7.

**EQUIPMENT**

Intramural Sports provides some equipment for the sports provided. Individual participants are responsible, however, for supplying some necessary equipment for individual/dual sports. If an item is not referenced in the following list please see each set of sport specific rules. Individual participants are responsible for use of the proper footwear/equipment for all intramural sport events.

- Regulation athletic, non-marking, close-toed shoes are required to be worn in the gymnasiums.
- Rubber cleated shoes may be worn on the intramural fields during outdoor programming. Metal cleats, spikes or bare feet are **not** allowed. All screw in/on cleats must be plastic tips.
- Personal athletic equipment may be used provided the equipment meets the approval of the officials and supervisor. The judgement of the Intramural Sports Staff will be final.
