

University Recreation + Wellness (UREC)  
**Student** Membership Eligibility Guidelines

**Membership Eligibility**

All students of the University of Arkansas are awarded a UREC Membership. UREC is given a list of all students from UA Connect/Workday Student, and will award students their complimentary membership. UA Connect will provide an updated list of all students, and at that point any and all changes or adjustments in memberships will be made. Due to the status of a student being determined on a semester by semester basis, a student will be awarded a membership no longer than a semester at a time. If a student withdraws, even if all fees and tuition have been paid, the membership is terminated. Staff members who are enrolled in academic courses must purchase a staff membership and are not eligible to have a student membership.

*Family Member Eligibility*

Family memberships are available for spouse/partner and dependents, under the age of 26 and residing within the household. Spouse/Partner and dependents, age 18 and older can then access the building alone. In order to obtain a family membership, the pair must show documentation as detailed on the back of this sheet. A family membership may not be purchased without the presence of the initial membership, and thus can only be purchased on a semester by semester basis. A family membership can be purchased during Membership Office hours of operation.

- Please see our website (<https://urec.uark.edu>) for current prices.
